Coaches

Any questions with respect to coaching matters should be referred directly to your child's coach. In general, the coaches are available for questions before or after practices. If you are unable to speak to the coach personally during these times, you may email the Club (info@torontoswimclub.com)

Group Parent

A parent volunteer will be appointed for each group within the first weeks of the swim year. The group parent will be an excellent resource for information specific to your child's group and for general information with respect to Club administration and policies. Group parent contact info for the 2011-2012 swim season will be posted on the Club Info Page as soon as these positions are assigned.

Additionally, each Board member has a portfolio to which are assigned certain functions. The Board consists of up to 9 members elected for a two year term at the Annual General Meeting. Please feel free to contact your Board members for further information regarding to any aspect of the Club administration, at board@torontoswimclub.com.
